Hull	Year	Vessel	Owners/User Name	Home Port	ST	USCG VIN	Engine Model	Owner Comments
2	1977	<i>Oasis</i>		Seatauket	NY	58024	Yanmar 3GM30	Member Johnny Slade – It is interesting that all of the literature lists 1976 as the first model year. If there is a 1976 model year, it would only be Hull #1 as my #2 is a 1977. The hull was laid in August 1976, but it is still listed as a 1977. Oasis does not have a swing out sink in the head. The sink on our vessel swings down. It look like a giant laundry sink. The water tanks - Port, Starboard, and Bow are molded into the hull. (Previous name Barracuda)
3	1977	<i>Sundance</i>	James Burcham	Bayview	ID			Member Burcham - james_burcham@hotmail.com Bitter End Marina, Bayview, Idaho

8	1977	<i>Mistress</i>	Emil Kehlenbach	Branford	CT	585481	Atomic 4	Member Mistress and SeaNoEvil – Added winglets to the keel, Sails on LI Sound.
9	1977	<i>Clarity</i>	E. C. Wylie	West Babylon	NY		Yanmar 3GM30	Member ECW622 – Re-powered
10	1977	<i>Chance</i>	Robert Kraus	Milwaukee	WI	589931	Atomic 4	Member Chance – I've owned Chance, for over 38 years. We have raced a number of Chicago Mac race, Queens Cups, and numerous long and short races. We have also cruised the boat having sailed the loo from Milwaukee down the Chicago river to the Mississippi river to New Orleans then across the Gulf to the Florida Keys and across to the Bahamas for three months of sailing. We then came back to the States to Miami and up the Intracoastal / Atlantic to New York and through the Hudson and Erie canal back to the Great Lakes. We left October 3, 1979 and returned July 28, 1980 and lived on board for approximately 10 months. We are currently active racers here in Milwaukee and our family has grown up on the boat.
11	1977	<i>Blue Heron</i>	Brett Bowden	Sandusky	OH		Atomic 4	Member Homeindeed - (Old owner Member Blue Heron) - Good condition for her age...truly a good old boat. Tides Marine "Strong Track" installed, plus lazy jacks and sail jockey makes for easy raising and lowering of the main. Full instrumentation including wind speed and direction, depth sounder, knot meter, and Marine VHF in cabin with RAM mic mounted on the steering pedestal. Binnacle nounted compass, auto pilot, pressure hot and cold water, lifesling, stern mounted boarding ladder, force 10 propane grill, AM/AM/CD stereo with speakers in cabin and cockpit, etc. Blue Heron has a beautiful blue hull which is the original gelcoat. Bottom painted last season with Petit Hydro-Coat. 30 HP inboard atomic 4 runs smooth as silk.
